Description

My name is Eston Tucker, this is my third year raising a swine project. Roxy, is 7 month old Spot Gilt. This year has been hard with everything going on but the good news is I was able to spend more time working with Roxy. Roxy loves attention, baths and lots of belly rubs- she does not like the heat. It's been fun figuring out how much she gains versus how much we feed her. This has been a great year for my sister, mom and I working together to raise Roxy. I'm really excited for next year when my sister raises a pig for the the first time with me. I will use the funds raised from this project to help my sister get her project started and for me to purchase my pig and food for next year. Thank you for supporting us :)
