Description

Hi! My name is Karrissa Sotelo and I am from the El Capitan FFA Chapter. I currently attend Merced College where I recently finished my freshman year as a Biology major. I have obtained a Market Swine project for the past 5 years, this year being my last. I would like to introduce my pig, Stanley, also known as "stan the man", a dark cross barrow. I believe that I have raised an exceptional market hog with great structure and muscle and I know that Stanley would be a great investment. In high school, I was very active in the El Capitan FFA program, I served on the officer team my junior year as vice president and my senior year as President. I continue to stay involved in the El Capitan FFA program by

serving as alumni on the El Capitan Ag Boosters, to show support to my alma mater and its members. Thank you for your time and consideration!
