Description

Hello AGFEST Supporter;

Thank you for supporting our auction. I am Amilia Towell, I am 11 years old and in 5th grade. We all really appreciate your support of the 4H program.

This was my third year raising a lamb. I am sad that we cannot have a live auction, but I am tankful we have this option. I learned a lot this year about nutrition, his health, and how to work him to grow muscle. He eats 2lbs of feed twice a day, along with hay and fresh water. Being stuck at home was hard, but getting out to walk him twice a day was nice.

This year in 4H has been amazing. I have made new friends and learned new skills. I hope to take the money from my lab and use it for college.

Thank you again for supporting our program.
