Description

Hello AGFEST Supporter;

My name is Charlotte and I am 9 years old. This is my first year to show.

My lamb is named Thunder, when I started this project I knew I wanted to do a blue lamb. I was very excited when my breeder had one for me. Thunder has been a great lamb. I have worked her every day, my sisters and I feed and water the lambs all the time.

I have wanted to do showmanship for a long time. I have watched my sisters do it and this was supposed to be my first year to show. My friends in 4H are showing their lambs too and AGFEST was going to be a lot of fun. I am really looking forward to next year.

Thank you for checking out my project, and supporting AGFEST.

Charlotte
