Validation Tag or Show reference# 1616

County Merced

City Atwater

Animal Weight (in Pounds) 140

Date of Reported Weight 06/06/2020

Description

My name is Kaitlyn Barron and I have just completed my freshman year at Buhach Colony High School. This year, I began FFA and this is my first ever project animal. I have loved every minute and have grown extremely fond of my lamb and have named him Bro. Beyond FFA, I am also a member of the Buhach cheer team, soccer team and track team. This was a very unexpected year, but I have learned a lot raising Bro. He enjoys taking long walks with me around the yard and is so calm. I am looking forward to the next three years I have to be involved within the FFA and am looking forward to learning even more in those years to come and actually getting my chance to enter the show ring. Although I am sad Bro will not get his moment in the ring, I do sincerely appreciate all the help and support I have received and the work the Merced Fair has done to provide this opportunity for me to showcase and market my 140 pound lamb project. With the funds I earn throughout these four years, I plan to put it towards my future projects and plans as I hope to attend college and become a teacher. Again, I

know this year has been a crazy one for us all, but I am grateful for this opportunity and appreciate your support very much. Sincerely, Kaitlyn Barron.
