Description

Things have been a little different this year but here we are! I cant believe that this is my fifth and final year raising a market goat for AgFest! 2020 was suppose to be full of smiles, laughs, lasts, and firsts as I graduated highschool, but I guess things don't always go as planned! One thing I can say is that I have had an amazing expierence raising animals over the years and earning my own money for college. I will be attending Modesto JC with plans on becoming a nurse. I want to give a huge THANK YOU to my 4H goat leader Chris and all the buyers/supporters that have helped me over the years! With all that being said... this year I have purchased a market goat from Sundance Kids in March and I have raised him to be about 97 pounds! I work him once a day and we have finally became "friends" I am sad that this is my last project but super excited to see what my future holds! Thank You for the support!

Love, Taytum Martens
