Description

Hi! My name is McKenna and this is my Boer goat Shiloh. I am 10 years old and this is my first year in 4-H and my very first year raising goats. I had a blast raising my two goats for the past five months. I really looked forward to showing my goats at the Merced County Fair this year, and although I don't get to have that chance, I am proud of my goat project and all of the stuff I have learned. I learned how much responsibility it is to have animals. I learned how to take care of my goats including feeding, cleaning, grooming and keeping them happy, healthy and safe (especially from our dogs). And I always give them fresh water EVERY day!

Shiloh has been an energetic, but fun goat to raise. She is quite a jumper and my Papa had to even build a higher fence just to keep her in her pen. She loves to jump on anything, including me and wheelbarrows. Shiloh introduced the word "goatastrophe" into our house! We have spent many hours trying to round up Shiloh.

Thank you for supporting my 4-H goat project and the future of California agriculture. I hope to keep my goat project going for many years and also start a breeding goat project this next year.
