Description

My name is Claire Richison. I am 12-years old and in the 7th grade at Ben Holt Middle school in Stockton. My favorite subject in school is science. Last year I received Highest Honors for grades. Outside of school, I enjoy running track, hanging out with my friends, participating in Debate Club and playing volleyball.

This is my first year in Alpine-Victor 4-H and my first year raising a market lamb. I purchased my lamb in February from 3K Club Lambs in Exeter, CA. I named my lamb Cleo and I plan to show her virtually at the San Joaquin County AgFest.

I have learned a lot about taking care of animals, responsibility, commitment and how much effort it takes to properly raise and maintain a lamb. I was disappointed that the fair is being held virtually this year due to Covid-19. I was really looking

forward to my first AgFest experience after watching my older sisters participate in the past. I am, however, very grateful that it was not cancelled completely!
