## **Description**

Hey Everyone! I'm Jayden and my goats name is Bonzo.. This is my fifth year raising a market goat. I purchased my goat in March from Chris Schallberger/Sundance Kids. He is such a character! He loves face rubs and jumping off a big wood stump in his pen! Everyday Bonzo and I go on a 30 minute walk around the field. Bonzo does make me laugh which is a good thing because things have been a little sad these past few months. This year I virtually graduated the 8th grade at Lockeford School. I was able to get Honor Roll even during online learning! I was pretty proud of myself! I am looking foward to High School and the 2021 fair! Thank YOU for taking the time to read my story. We are all greatful for people like you!

Love Always,

Jayden Martens
