Validation Tag or Show reference# 8132

County San Joaquin

City Manteca

Animal Weight (in Pounds) 131

Date of Reported Weight 05/25/2020

Description

Hello, my name is Rosie Lamar and I am a member of the East Union FFA Chapter. FFA is a national youth organization which promotes personal growth, premier leadership and career success through agricultural education. Within this organization I am a student in Ag Biology and Floriculture, I show sheep, and participate in FFA activities.

Over the past few months I have been raising, feeding, cleaning, and practicing with my lamb project Meeko for the upcoming San Joaquin AgFest. Due to the recent Covid-19 pandemic AgFest is now a virtual show with an on-line auction. I really hope to sell my lamb during the online auction, which is scheduled for June 12th starting at 8am and

ending June 14th at 9pm. Since the auction is on-line this year AgFest has decided to sell the animals by the head this year instead of by the pound like they usually do. As of May 9th Meeko weighed 131 pounds. The proceeds from my animal will go to my future projects and other education goals. I won 3rd place in my division this year.

I look forward to speaking with you about any questions, comments or concerns you may have. Please feel free to contact me anytime at (209)275-5494. Thank you for your time and support with my lamb project!

Thank you!

Rosie Lamar
