Description

Hello,

My name is Spencer Shasky. This is my first time showing an animal at the Merced County Fair. I have been raising my pig since January and have watched her grow from a 40 pound piglet into a 200 pound pig that is ready to for sale and harvest. I took my pig out every day for a walk in our fruit orchard. She enjoyed running under the orange trees were I couldn't follow her. She loves to play in the water and drink from the hose. Her favorite part of her daily walk was coming back to a clean pen and enjoying a treat in her food pan. I will reinvest the money that I make from this project in another pig and improvements on my pig pen for next year. I will put the rest of the money in my college fund and I hope to be able to use a little bit of the money to buy a video game to play online with my friends while we are staying at home because of the school shutdown. Thank you for investing in me and my project.
