Description

My name is Izzy Thompson and I am the proud breeder and owner of the Grand Champion Single Fryer. I am also the proud breeder and owner of the Supreme Champion Doe of the 2020 AgFest. I started my rabbit project a year ago, in May. I originally was only going to do market rabbits, but I wanted to expand my rabbit project, so I started a breeding and market rabbit project. I have New Zealand and Californian rabbit breeds. I need to make sure that my rabbits are in perfect health, so they will be ready to sell. I need to make sure that they get exercise, and a healthy amount of food, so they can grow. I sell my rabbits for meat and breeding rabbits. This month, I will be showing one of my breeding rabbits and market rabbits for this year's Ag Fest Virtual Show. My market rabbit will be between 5 to 5 and a half pounds come auction day. This market rabbit is a product of my own breeding doe and buck.
