Description

Hello, My name is Lilee Hunter. I am a 5th grader at Chenoweth Elementary. I show Swine for the Lancers 4H. This year I got to spend more time with my pig due to the virus. My pigs name is "Oreo". My pig is a Berkshire. My pig was purchased through Alen Rios, Generation X Farms in El Nido, Ca. This is my 2nd year as a 4H member, and my 2nd year showing Swine. I really looked forward to showing my pig as it was my goal to place in Showmanship. I did place in Market last year, yet was really looking forward to doing well in the Showmanship category. Thank you for showing interest in my pig.
