### **Description**

Hi my name is Itzel and my goat this year is Billie. I acquired Billie from our goat leaderer in April. This is my second year doing meat goat and my second year with 4-H. Billie is a very calm goat, is also very lazy. Billie does not like to go on walks though loves to run around her pen and get pets. Raising meat goats has taught me many things; such as responsiblity, self discipline, how to raise livestock and has showed me my future path. I enjoy working with animals and helping them grow. I would love to be a Veteranian once I am older, especializing in large animals. 4-H has helped me grow these past years and learn so much. I absolutely want to raise more goats in the future and enjoy going to fair each year. I am a dedicated student and want to continue my learning until I graduate college. Thank you for helping me with my future and helping me grow. I hope you can support me with my project Billie!

I got first place in my class!
