### **Description**

Hello! My name is Ava Brocchini. This is my third year raising market hogs for Ripon 4-H. Pigs are so fun!! This year, I raised Ferguson! I call him "Ferg". I named him after a show that my family and I watched on Netflix called "Longmire". Ferg is a Hampshire barrow that weighs 249 pounds. He is the best pig that I have had so far on every level; he was easy to work with, his body structure is outstanding, and he is the most loving pig that I have raised. Ferg's favorite thing to do is eat, of course! He also loves to go on walks with my brother's pig and dumping over his water bucket. I hope you choose to purchase Ferguson. He was such an amazing pig and I will miss him so much!!

Thank you for supporting my 4-H project.
