Description

Hi my name is Betty, I'm a male goat I was brought into this world on Oct 2019, I weigh 94 lbs and still gaining weight as I write this. I take daily walks with my best friend Bailey Welsh. I sometimes don't like to put my halter on, but once I have it on I don't mind going where she tells me to. Please don't tell my roommate Bill Murray that Bailey is really my best friend, or he won't want to share the feed with me, and I really like to eat. Thank you for taking the time to stop and learn about me. Betty the goat that is AWSOME
