## **Description**

Hello, my name Bridgette Im from Merrill F. West High School im participating in the San Joaquin Agfest for the first time. At my school i been in FFA competition like the Opening and closing and winning 2 places, and participating an helping. i put a lot of time and effort into my rabbits doing everything right. I have started my project May 21, ever since that day I been taking great care of my California rabbits that I name them, Ace (B1) Sanji (B2) Luffy (B3) so since I would be taking care of them I thought it would be nice to name them. By being with my rabbit its shown me a great responsibility, communication, and it helped me learn new skills that later on in life I would use for college and in need of raising an animal again.
