Description

My name is Daphne Meredith I am a Junior at Lodi high school. My market swine this year is a male landrace pig which currently weighs about 190 pounds and is named Chop. I bought my pig in March of 2020 and began feeding with Show Rite 19 %. In late May I began feeding it Show Rite 17% finishing feed. My swine is housed with two female pigs and has gotten along very well with them. I often let my pig out to walk around in the field so that it is not stuck in the pen all day. My pig loves to be washed and loves to play in water. I have chosen to free feed my pig meaning it always has food and can eat whenever it pleases. Thank you for your time.
