Description

My name is Jacob Riley, I am currently a Freshman at Willis High. First year in FFA and a my first year of showing. I have a Black Criss named Bandit! He is my pride prize. My year started out with another barrow that ended up having to be taken away due to illness and I was devastated. I was able to purchase another one Brandit. And have I learned a lot from him. He taught me that this was t going to be easy. He was stubborn and just wasn't gonna have it. I spent countless hours with him. He would run every time I took him in the arena. He didn't care for treats, he didn't like to be bath. He wanted to eat and sleep. But I was determined to make him my best friend. I begged to go to the barn. I would be there early before school. After school I would run to the barn. Hours with him. Go home have dinner and begin to go back. I brushed, oiled him, talked to him. Then I realized this is tough. I dug deep to figure out his feeding program, how he liked his shaving place. What spots he liked rubbed and brushed the most.what made him happy! And finally he clicked he started growing, begging to be in the arena and go outside to play in the mud, He started liking to get bathed. He became happy and excited to see me. So we learned and he was ready to shine. The news came that we weren't going to our County show and I was broken. Why! Why did we work so hard and become best buds? I was now left with all savings gone and no way to recoup and get my project for next year. I still have those answers, but I know from what Bandit has taught me since November is Never Give Up. I didn't give up on my Barrow Bandit and his isn't giving up on me. So please check out my pictures and video. So that maybe I can purchase my next project, and Bandit can finally shine.

Thank You, Jacob Riley
