### **Description**

I am Collin Parker, 16 from Chilton, Texas. My steer Sammy is a black cross that has been a challenge from the very beginning & we were ready for Houston. This year was an extremely tough year for me. They say lightning doesn't strike twice but I can tell you it does. I had a steer I purchased in a sale struck by lightning and killed at the breeders home because I left him to be dehorned. I also had a steer which was my Houston hopeful struck by lightning in September while my county fair was going on. I totally had to regroup and Sammy became my steer for Houston. I got Sammy because he was crazy & the breeder knew if anyone could get him halter broke it was me and my family. A lot of blood, sweat & tears has gone into this project this year & to say we have overcome a lot is an understatement. Please consider me & Sammy & the world it took to get him ready for major shows when you bid. Thank you!
